FAITHCAST: weekly podcast from catholicnews.ie – news source for the Irish Catholic Bishops conference.

The disciples are in a state of shock and suffering from a traumatic loss. Jesus, the one in whom they had placed so much hope, has been murdered and buried. Then, another shock – the body of Jesus is missing. Have you had experiences in which one tragedy or crisis follows quickly after another? What was that like for you? How did you cope? What, or who, sustained you then?

HAPPY EASTER
