"Blessed are they who have not seen and yet believed". That requires great trust. Perhaps you have had the experience of being trusted without having had to prove every step along the way. What was it like to be trusted in that way? Who have you been able to trust in a similar manner? *Fr John Byrne OSA.*

'God of openness, of life and of resurrection, come into this Easter season And bless me. Look around at the tight, dead spaces of my heart. Bring your gentle but firm love ... Open me. Open me. Open me. For it is only then I will grow and change, for it is only then that I will be transformed. For it is only then that I will know how it is. To be in the moment of rising from the dead.' *Joyce Rupp*
