**World Communications Day 2017**

**Archbishop Eamon Martin's tips for engaging on the digital highway**

Be positive and joyful. Offer 'digital smiles' and have a sense of humour. Remember that it is the 'joy of the Gospel' that we are communicating, so, as Pope Francis says: no 'funeral faces' or 'sourpusses'!

Strictly avoid aggression and 'preachiness' online; try not to be judgemental or polemical - goodness knows, there is enough of this online already! Instead, try Pope Francis' approach of 'tenderness and balm'.

Never bear false witness on the internet.

**CONGRATULATIONS** to the young people and their families who are celebrating First Holy Communion this weekend.
