Today is Mission Sunday and the Holy Father invites all Catholics to contribute to a
special collection. Every person in every parish in every country where the Church is
present will be celebrating together and sharing what they have, no matter how little.
It is the one Sunday in the year when the Mass is celebrated exclusively for
missionary activity. Donations are collected at these worldwide Masses and they go
to support churches, hospitals, schools and vocations in countries where the Church
is new, young or poor. It is also the one Sunday in the year when your generosity
goes directly to help mission parishes overseas and reach out with Jesus' message of
hope and love. World Missions Ireland is the Holy Father's official charity for overseas
mission. It is responsible for coordinating Mission Sunday in Ireland and, through
local bishops, churches, and missionary congregations around the world ensures that
resources are distributed equitably and justly on the basis of need. In offering our
prayers, we join with missionaries everywhere in communion and compassion to
support them in spreading the Good News, and by giving a donation we respond to
Christ's call to feed the hungry and clothe the naked so please give what you can.
Thank You. This collection will be taken up after Holy Communion.
