~ 'Wherever there is a human being, there is an opportunity for kindness.' (Seneca)

~~ I do not believe that we can ignore things that happen far away. I believe that the whole world is my home and that the field I plough and the harvest I reap belong to every person. I do not believe that I can fight oppression far away if I tolerate injustice here. I believe that there is but one right everywhere and that I am not free if one person remains enslaved. (Indonesian Creed)

~~~ 'When we heal the wounds of refugees, displaced persons, and victims of trafficking, we are practising the commandment of love that Jesus has left us ... Their flesh is that of Christ.' (Pope Francis)
