1. But we are the body of Christ. When have you been particularly aware of the sacredness of people (yourself or others)?
2. There are many ways in which people, the temples of God, are being profaned today. Where are you aware of the sacredness of the human person being violated? Who are the people seeking to cleanse the temple, by promoting respect for the dignity of every human person? Perhaps in ways you have done this .Fr John Byrne OSA
