Mary and Peter, and possibly others, came and discovered that the tomb was empty. The part of the story we have in this text gives no explanations of what has happened. They are left in a state of bewilderment 'for as yet they did not understand the scripture, that he must rise from the dead.' Have you been in that kind of a situation, faced with events you cannot explain, possibly events which have dashed your hopes in another person, or in God? What has that been like for you?

HAPPY EASTER.
