Jesus reminds his listeners that God is the source of all good things. What difference does it make in your life when you are aware that life, the world, everything you have is gift, and you live in a spirit of gratitude?

As Jesus came down from heaven to give life to the world, so each one of us is here to be a source of life to others. Think of people who have been a source of life to you, and give thanks for them. For whom have you also been a source of life?
