READINGS FOR SUNDAY NEXT: Jos 24:1-2, 15-18. Ps 33:2-3, 16-23, R/ v 9. Eph 5:21-32(shorter form 5:25-32). Jn 6:60-69. Lect 1:791

'Dear families, you know very well that the true joy which we experience in the family is not superficial; it does not come from material objects, from the fact that everything seems to be going well True joy comes from a profound harmony between persons, something which we all feel in our hearts and which makes us experience the beauty of togetherness, of mutual support along life's journey. But the basis of this feeling of deep joy is the presence of God, the presence of God in the family and his love, which is welcoming, merciful, and respectful towards all. And above all, a love which is patient: patience is a virtue of God and he teaches us how to cultivate it in family life, how to be patient, and lovingly so, with each other. To be patient among ourselves. A patient love. God alone knows how to create harmony from differences. But if God's love is lacking, the family loses its harmony, self-centredness prevails and joy fades'.

Pope Francis.
