HARVEST PRAYER.

This is the time for the harvest, a time to reap what was sown,

A time for a prayer of thanksgiving for the plentiful food that was grown.

This is the time for the harvest, when fruit has turned ripe in the sun,

When people will work at the reaping, 'till the warm autumn evening is done.

This is the time for the harvest, when honey is stored in the pot,

When jam-jars are washed in the kitchen, while blackberries are simmering hot.

This is the time for the harvest, a time to look skywards to heaven,

And whisper a prayer of thanksgiving, for the bountiful food we've been given.

(Fr. Brian Boyle)
