To-day is a hugely significant day in the life of Pakie Callaghan and the whole parish of Clontuskert and surrounding area. Because of his 80<sup>th</sup> birthday and his 70 years working with and for the Church, (Pakie says that he started serving Mass as an altar boy at 10 years of age and never retired), I felt that we should apply to the Vatican for an Bene Merenti Medal. The medal did not arrive in time for the 80<sup>th</sup> but in any case, I wanted to be around for the presentation and I was in no state to do anything when it came. So to-day is the chosen day. Bishop is with us to make the Presentation.

To-day is Father's Day. Be good to all of them and let them watch their favourite game or games to-day.
