To-day is World Mission Sunday and there is a second envelope in your box to-day for the Mission Collection. Please be as generous as you can.

A little of bit of bad news for you. Despite the Government giving more money than expected to WMOF the collection held in churches over the past couple of years has fallen short of what is required so the bishops have decided that there will be one more collection for WMOF and that will be held on Sunday 11th November, i.e. this day three weeks.

As this collection will hardly bring in the required amount, each diocese will be levied for a contribution each year based on the number of Catholics in each diocese. Clonfert will be levied for €6,500 per year in addition to this collection.

If there is anybody in the parish who would like to have a visit/or round the neck alarm, please let Bernadette Dunne, Mary Callaghan or myself know.
