Remember Santa comes to visit us in Clontuskert at around 6.30pm this Sunday, just a couple of hours before he takes off on his round the world trip with presents for everyone he can find. He cannot therefore, wait to the end for the parish get together but he will stay as long as he can.

Thanks to everyone who helped me to adjust to life in the parish since I returned and P.G. that will mean that I can stay around for another few years.

The new Parish Calendar has come but as yet the boxes of envelopes are not ready for distribution. I was not here for their preparation last year so I am hoping that whoever did such a good job last year, will do the job this year again, please.

Talking of last year, when everything went so well in my absence, I want to say a huge thanks to everyone who helped to make that possible. Hopefully you will club together again to make 2019 just as good and just leave the things that only the priest can do to me – Mass, Sacraments visiting the sick (at which I'll have to improve). I don't want to have anything to do with money. My pension and pension salary go straight into my bank account.
