Wishing all Mothers a very Happy Mother's Day, We also remember all our mothers who are no longer with us .

Mum

For all the times that I forgot to thank you, for all the special little things you do. For all the words that sometimes go unspoken, I need to say “I love you Mum, I do.” I love you for the way you stop and listen, and for your kind support throughout the years, and for teaching me the meaning of compassion, and sharing in my triumphs and my tears.

And, if at times, I may have seemed ungrateful, I want to say “I truly hope you see, that nothing you have done has been forgotten, and day by day you just mean more to me.”

Happy Mother's Day.
