Reflection: "My faith means everything to me. The feeling it gives me is everything. The feeling of prayer is a comfort like no other. I received an MBE for charity work and it was an honour to be able to raise money for worthy causes...and I am sure it was because I was raised in the faith. To care about others is a gift from God. In my heart I've always felt blessed and that each of my babies was a gift from God. I've never doubted my faith. Very especially I've always felt my children are a gift from God and after each child my heart warmed. God's given me a good life. This is how God has spoken to my heart." - Liz Dawn, the actress who played Vera Duckworth in Coronation Street in an interview at the time of the papal visit to England.
