**Reflection:** Food for thought. In the prevailing culture, priority is given to the outward, the immediate, the visible, the quick, the superficial and the provisional. What is real gives way to appearances. In many countries globalisation has meant a hastened deterioration of their own cultural roots and the invasion of ways of thinking and acting proper to other cultures which are economically advanced but ethically debilitated. - Pope Francis, *Evangelii Gaudium*, Dublin: Veritas, 2013, par 62.

**Corpus Christi:** This weekend we celebrate the Solemnity of The Most Holy Body and Blood of Christ. From this feast of Corpus Christi have originated many practices of Eucharistic devotion that, under the inspiration of divine grace, have increased from day to day and that the Catholic Church uses eagerly to show ever greater homage to Christ, to thank him for so great a gift and to implore his mercy.
