Tax Relief Scheme – You will have received a CHY3 Cert (Enduring Cert) early in December. This is for us to submit to the Revenue to enable the parish to get some tax relief that goes towards parish developments. For every €250 or more donated the parish benefits by €112.32 at no extra cost to you. The distinction between PAYE and self employed is now gone. It is now a single system at 31% rate. I would be grateful if you could return same to me during the coming week as I need to submit same very shortly. If you have any questions please contact me 090 9675819
