Choose Life – 8th Amendment – Archbishop Diarmuid Martin. The Christian message is a message of life. It is about how every human life is a reflection of the very life of god. Each of us is created in the image of god. Catholic teaching clearly affirms that every human life has unique and irreplaceable dignity. Every human life has the right, from its very beginnings, to flourish and develop as god wants it to. Compassion and support for women in difficult situations also belongs to the essence of Catholic teaching. Any society which attempts to define certain lives as being of lesser worth and of lesser protection betrays the common good. All should be equal in the face of the law. "That is a fundamental principle of our constitution and indeed of democracy to be maintained and protected"

Prayer -Jesus our shepherd, we know your care for us was costly as you laid down your life and took it up again. Help us to know again "the great events that gave us new life" in you, that we may hear you and follow you in all we do.
