Child Safeguarding Policy Statement- Clonfert Diocese

As a constituent member of the Catholic Church in Ireland, Clonfert Diocese recognises and upholds the dignity and rights of all children. We are committed to ensuring their safety and well-being and we will work in partnership with parents and guardians to do this.

We recognise each child as a gift from God and we value and encourage the participation of children in all activities that enhance their spiritual, emotional intellectual and social development.

All church personnel (including clergy, religious, staff and volunteers) have a responsibility to safeguard children through promoting their welfare, health and development in a safe and caring environment that supports their best interest and prevents abuse.
