**Pope John Paul II Awards:** These awards enable participants between the age of 16 and 18, especially Transition Year and Fifth year students, to take active part in the life of their church, community and society. The awards enables young people become more aware of the teaching and role of the Catholic Church in the world and to engage at a deeper level with Christ. The JPII awards are committed to helping young people enhance their spiritual, physical, emotional and social development through participation in school, parish and community activities. The launch will soon be taking place in Clonfert Diocese. It is currently running in 21 dioceses in Ireland. The secondary schools in our Diocese will be talking to young people 16-18 about the awards. I am encouraging young people 16-18 in our parish to consider participating in the awards programme. I am available to give whatever assistance or advice I can give. Full info on [www.thepopejohnpaulIIaward.com](http://www.thepopejohnpaulIIaward.com)
