Lesson 3 Confirmation Ceremony

- Saul use to persecute Christians. An encounter with Jesus on the road to Damascus changed him forever.
- Levi use to be a tax collector, a profession renowned for greed. He encountered Jesus and left everything to follow him.
- Simon was a fisherman who left everything to follow Jesus, who gave him a new name.
- Abram was given a new name by the Lord as part of a promise of future descendants.

It would be nice to write a letter to your sponsor outlining why you chose them, why you admire them and how you hope they will help you in faith and in life.

Description of each part:				

The Four Parts of the Confirmation Rite:

- *The renewal of Baptismal Promises
- *Anointing with Chrism

- *The laying on of Hands
- *The calling by name

Description of each Part:

- Now that the candidate is older and can speak for themselves, and to remind us of the link between baptism and confirmation, the candidates stand and renew their baptismal vows.
- The link between baptism and confirmation is further reinforced as the Bishop traces the sign of the cross on their foreheads with a special oil that we first received in baptism, while saying 'Be sealed with the gift of the Holy Spirit'.
- Following the example of Peter and John in the Acts of the Apostles the celebrant extends his hands over the confirmation candidates and prays a special prayer calling down the Holy Spirit upon those who are to be confirmed.
- This part of the Rite reminds us that God calls each of us by name. The candidates are presented to the community and they stand by way of presenting themselves for the sacrament.
