Because you have lived:

To laugh often and much.

**To win the respect of intelligent people,
and the affection of children.**

To earn the appreciation of honest critics.

to appreciate beauty.

To find the best in others.

**To leave the world a bit better, whether by
a healthy child, or a garden patch.**

**To know even one life has breathed
easier because you have lived.**

This is to have succeeded.

Each morning when I open my eyes I say to myself: I, not events, have the power to make me happy or unhappy today.

I can choose which it shall be. Yesterday is dead, tomorrow hasn't arrived yet.

I have just one day, today, and I'm going to be happy.
