Corncrake Life is a project in Galway, Mayo and Donegal working to conserve the corncrake population. They are asking people in these counties to collect wild seeds (nettle, cow parsley etc,) this month and post them to the project, to help make sow suitable habitat for the birds. More info: www.corncrakelife.ie

Experience Lourdes at home! The relics of Saint Bernadette will visit Galway Cathedral from 5th-6th September and Loughrea Cathedral from 7th-8th September. www.clonfertdiocese.ie for the full schedule of events. In preparation for the relics there will be a 9-day novena to St. Bernadette, which will begin on the 27th of August. The purpose of this novena is to prepare our hearts and minds for the visit of the relics, seeking St. Bernadette's intercession for our personal intentions and the spiritual renewal of our Diocese. During this period, I request that the novena prayer be recited at each Mass. There will also be petition slips available which will be taken to the Cathedral for onward forwarding to Lourdes.
